State Moose Meeting Highly Successful

The Midwinter Conference of the State Moose of Michigan held in Grayling last Friday, Saturday and Sunday, November 4, 5 and 6, was a highly successful venture, said William Fitzgerald, general chairman for the statewide meet- ing.

"Although the turnout from out- state was not as large as we had expected, we still had over 400 registrations," Mr. Fitzgerald stated.

"The officers and members of the Grayling Moose Lodge No. 1102 wish to thank the City of Grayling and its officers for the coopera- tion given to them during the con- ference," the chairman added.

"Also the businessmen in Gray- ling who helped in our conference program book with advertising and to the Mayor of Grayling and his wife for attending our Saturday night banquet," Fitzgerald contin- ued.

"The State Officers asked me to publish their gratitude for the fine hospitality shown them by the City of Grayling and also I add my personal thanks to all of the officers, members and volunteers who gave so unselfishly of their time in helping to make this such a suc- cess," the chairman stated.

"The local lodge should also add it's special thanks to Grayling's four auto dealers who donated cars during the three days for the use of Moose members and their guests. Last but not least, we would like to give a salute to the Avalanche for the fine coverage in notifying the people of the area of our Midwinter Conference," Mr. Fitzgerald concluded.

Sheriff Issues Warning To County Motorists

Sheriff Arthur F. Clough today alerted all drivers in Crawford County that the Sheriff's patrol officers have been instructed to in- crease violator contacts particu- larly during the next four months and to pay special attention to vehicle condition and operator's license status.

In an effort to identify and bring to the motorist's attention vehicle safety equipment needing main- tenance attention, officers are asked to check the condition of all vehicles stopped for violations. Items to be checked include:

STEERING — for excessive play or hard operation.
BRAKES — for effective braking action.
HORN — for proper operation and loudness.
MIRRORS — for adjustment and clear vision.
WINDSHIELD AND WINDOWS — for unobscured vision.
VISIBILITY EQUIPMENT — for effective operation of defrosters, windshield wipers and washers.
HEADLIGHTS — for intensity and aim.
OTHER LIGHTS — for proper working order.

TIRES — for wear and for indi- cations of poor wheel alignment and/or faulty balance.
EXHAUST SYSTEM — for dan- gerous leaks or noise.

Officers will report their find- ings for local and statewide tabu- lations and analysis to encourage needed legislation to make Michi- gan streets and highways safer.

"We have no intention of being unduly harsh with motorists in our area," Sheriff Clough pointed out. "This is fair warning that we simply want to do all we can to improve driving behavior and help make sure we have safer vehicles on our highways."

Finding a Place

A new film that traces a boy from probate court commitment through the boys' training school program will be shown at the Friends of the Library meeting Wednesday, November 16 at 8 p.m. The public is invited to this pro- gram. The October meeting fea- tured Mr. Fraser Dean who spoke on the school remedial-reading pro- gram. Much is to be said for a child needing individual attention to overcome his handicap of not being able to read. This is truly a great emotional problem as well as a problem that could stem from the child's association with home or society. Lack of time prevented a more thorough interpretation but the highlights created much inter- est. A demonstration of the latest reading mechanical helps also pro- vided of interest.

Please note the change in meet- ing date, Wednesday, Nov. 16th.

Library Millage Passes, 711-613

With nearly 1,700 ballots cast in Crawford County in Tuesday's off year election, incumbent Governor George Romney and United States Senator Robert P. Griffin had little trouble in piling up good majorities. Romney polled 1119 votes to 568 for Zoltan Ferency, his Democratic opponent. Griffin garnered 1045 votes to 561 for G. Mennen Williams, his opponent and former Michigan Governor.

In races in the townships, veteran Frederic Supervisor Ray Murphy running on the Republican ticket turned back the challenge of Dean Welch by a 99 to 66 count. In Beaver Creek Township, Irene Wyman, incumbent Township Clerk won over LeRoy Millikin 75 to 51. Rich- ard C. Schaeffer appeared to be the new Supervisor of South Branch Township as he polled 86 votes to 71 for Fred H. Kaufman. Incumbent Township Clerk Vera Webster won re-election over Shirley J. Mead by a 91 to 67 count and South Branch Township Treasurer Bertha Lelene won 96 to 60 over the Challenge of Prudence Ebaugh.

The extra millage on three-tenths of a mill voted on for the Crawford County Library for a three year period was okayed by the voters of the county 711 to 613. These were without the votes tallied in Lovells Township. The proposal was de- feated in Beaver Creek Township 69 to 56 and in Frederic Township 80 to 73 and in South Branch by a 114 to 35 tally. The big vote for the proposal came from Grayling Town- ship where it was approved 250 to 170.

The state proposal to lower the voting age to 18 years took a bad whipping in Crawford County. The vote was 935 no to 505 yes. Only in the City of Grayling, Precinct one did the proposal win a majority, 126 yes to 75 no.

U. S. Congressman Elford Cedar- berg outdistanced Hubert Evans, his opponent by a big 943 to 403 vote. Former State Representative John Toopp, running for the State Senate in the 36th District led his Democratic opponent, Walter K. Maser by a 842 to 446 count. Nel- son Tisdale, incumbent Republican State Representative from the 103rd District piled up 827 votes to 465 for his opponent, Robert Wayne Miller.

For other State Officers and members of the three boards for State universities, the Republican candidates ran up two to one mar- gins all down the line. In the race for two posts on the State Supreme Court, Thomas M. Kavanagh led the balloting with 452 votes with 369 cast for Thomas E. Brennan, 298 for Otis M. Smith and 224 for Meyer Warshawsky. Circuit Judge Dennis O'Keefe running without op- position for re-election ran up a total of 653 ballots.

Sub Launching Postponed Again

The launching of the nuclear- powered submarine the USS Grayling has been postponed again by Congressman Elford A. Cedarberg of Michigan's Tenth District.

Originally slated to go down the Michigan on September 17th, the launching was put back in August to February 25, 1967. Now that scheduled launching is set for June 7, 1967 according to Cedarberg who was advised by the Chief of Naval Operations. Department of the Navy. The original drop back in launching schedule was necessitated by certain safety revisions which came to light due to the disastrous sinking of the USS Thresher. No reason was given by the Navy for the second halt in plans.

Seventeen Grayling People are slated as a delegation from the City of Grayling to be at the launch- ing ceremonies. They are: Gray- ling Mayor and Mrs. J. F. Cook, Councilmen Earl Broadbent, James Duley, Howard D. Madsen and A. J. NORCAP TO SPONSOR REMEDIAL EDUCATION

Mt. Pleasant — NORCAP, Inc. (Northern Michigan Community Action Program) has agreed to sponsor a remedial education program as part of its Neighborhood Youth Corps (NYC) project.

The Rev. Carl H. Hathaway, NORCAP president, disclosed today that the program is underway and should be in full operation "immediately." He said Tom Bucholtz would head the remedial education program that will serve the 380 out-of-school NYC youths in the 33 counties served by NORCAP.

Bucholtz said that the basic goals of NYC and the remedial education program is to increase the employment potential of enrollees through work experience and training, to upgrade their current vocational skills and to assist them in acquiring new skills and to provide the remedial education needed in specific areas.

Remedial centers will be set up in six counties, according to Bucholtz. These counties are Montcalm, Isabella, Gladwin, Lake, Alpena and Osego-Antrim Counties.

Bucholtz noted that these six centers will serve all 33 counties in northern lower Michigan.

Bucholtz said each remedial center will have adequate space and facilities and will be accessible to enrollees in the area they serve. It is anticipated that local educational facilities will be utilized in most instances since no funds are available for space rental making it necessary that they be donated by the local host institution or organization.

and instructional and resource materials.

NORCAP signed a contract with the U. S. Department of Labor to sponsor the NYC project last June. Since that time more than 700 youths have been enrolled in the program, according to Roger Rehberg, NYC project director.

The main Neighborhood Youth Corps office is located at 316 N. Mission, Mt. Pleasant.

CUT PROPOSED IN LOCAL GOVERNMENTAL UNITS

(Special to the Avalanche)

NEW YORK—To combat the rising cost of local government, in Crawford County and in other communities, the Committee for Economic Development recommends some drastic changes.

It proposes nine major reforms in the interest of economy and efficiency, including a reduction in the number of local governmental agencies throughout the country from the present total of 80,000 to not more than 16,000.

If such a meat-axe cut were to be made in Crawford County, it would mean the elimination or consolidation of 80 per cent of these bodies.

The number in the local area, under such a plan, would be reduced by 10.

The latest Census of Governments shows that there are more operating units in Crawford County, on the basis of number of people served, than in most communities.

In terms of population, there is the equivalent locally of 23.5 such agencies for every 10,000 people. Elsewhere in the United States, the average is 4.7 for every 10,000 and, in the State of Michigan, 4.6.

Locally, as shown in the most recent official tabulation, there are 12 units of government in operation. They comprise the county government itself, municipal governments, 1, township governments, 6, school districts, 4, and special districts, none.

The committee finds that "revolutionary adjustments" are called for in most local areas to keep costs from skyrocketing higher.

It points out that the direct expenditures of counties, municipali-

ties, towns and districts have, are for the elimination of overlapping layers of local government, for a centralization of responsibility and for a replacement of patronage jobholders with trained professionals.

The tax load, especially for property owners, who bear the bulk of it, is growing proportionately, it notes.

The committee's main proposals

are for the elimination of overlapping layers of local government, for a centralization of responsibility and for a replacement of patronage jobholders with trained professionals.

private organizations, to carry their work more efficiently.

A Day To Remember . . .

"Keep the Home Fires Burning" — a poignant World War song — uplifted home-front morale while the doughboys fought to make the world free.

Some returned. Others met their final appointment with destiny at Flanders Field. And when the last blows were struck and the papers signed — Armistice Day was proclaimed by President Woodrow Wilson.

The day not only honors the war dead, but also reminds us of the horrors of war. Yet, even the name of the "war to end wars" had to be changed. It became World War I to differentiate it from World War II.

The day was changed to Veteran's Day in order that a grateful nation could pay its respects to veterans of all wars. A national holiday was proclaimed.

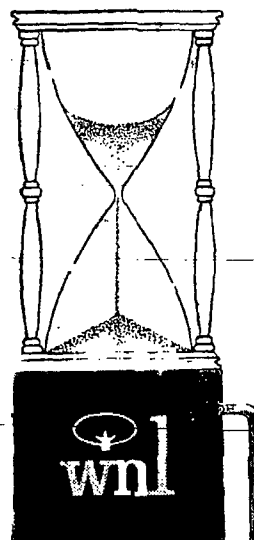

Another November 11th approaches. On that morning some people may pause between 11:00 — 11:02 to pay respects to the men and women who paid the supreme sacrifice to keep America free. Others may just forget.

So, let us pause a few seconds to review what President Wilson said in his first Armistice Day proclamation: "To us in America the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations."

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEARS AGO

November 11, 1943

Tuesday evening at the Masonic Temple the new officers for the Eastern Star chapter were installed with the usual impressive ceremony which was beautifully portrayed by the installing officers. Mrs. William McNeven, a star in Grayling chapter for 36 years, and Mrs. Joseph McLeod were the installing officers. Mrs. McNeven's familiarity with the work of the order and devoted interest in the chapter together with the fine response of those receiving the badge of honor made the ceremony very impressive. One feature of the installation was particularly beautiful. Six retired matrons formed two lines in the East and red rose buds formed a canopy through which the newly elected Worthy Matron, Mrs. Bert Norris, accompanied by her husband, passed as she received the gavel together with flowers from the retiring matron, Mrs. Carlyle Brown. The new officers include: Worthy Matron, Mrs. Bert Norris; Worthy Patron, Mr. Phillip Moran, Associate Matron, Mrs. Aletha Leng, Association Patron, Mr. Luther Herrick, Secretary Miss Mabel Brasie, Treasurer, Mrs. Clarence Johnson, Conductress Mrs. James Richardson, Associate Conductress, Mrs. Norman Butler, Marshal Mrs. Ernest Larson, Chaplain, Mrs. Louis Martin, Organist, Mrs. Ernest Gross, Warden, Mrs. Ernest Richardson, Sr., Sentinel Mrs. Luther Herrick. A social hour with refreshments followed the installation ceremony.

With all of their seven children and all but two of their ten grandchildren present, Mr. and Mrs. N. C. Nielson celebrated their 50th wedding anniversary with a family dinner at their home Saturday in East Towas. Families who were present include Mr. and Mrs. W. J. Heric and daughter Patricia of Grayling, Mr. and Mrs. C. A. Brownell and sons Carl and Robert, and M. C. Nielsen and son Charles Milo of Flint, Mr. and Mrs. W. V. Sherman and daughter Vivian of Muskegon, Mr. and Mrs. Merle Hesselwood and son Francis of New Era, Mr. and Mrs. Walter Burdon of Chicago, Ill., Mrs. H. M. Ryder and daughter Mittee Ree of Springfield, Ill., Mr. and Mrs. O. B. Bigelow and daughter Frances Ann of Ann Arbor. Mrs. Nielsen came to this country with his parents when nine years of age. At that time he was able to read and write Danish, English and German, a fact to which he points with pride and as a tribute to the Danish school system. The family located at Greenville and it was near there that he met and married Anna C. Hansen, who was born at Coral. During their 24 years of residence in East Towas, Mr. Nielsen was engaged in the contracting and building trade and worked some on highway construction.

While the deer hunting season doesn't begin until Monday, November 15th, the influx of hunters has already got a good start. Three camps had already been set up for nearly a week and more are starting up every day. Club houses and hunting lodges are booked to capacity. Today there is a light snow and if that continues nimrods won't have any trouble stalking their quarry. There are many deer, including bucks and eligible spikehorns. Ten enforcement officers have been assigned to Crawford county so it looks as though the Department intends to be pretty tough with violators.

Mr. and Mrs. Harold MacNeven are in Flint and other places this week on business.

Cemetery Committee report to council. We are now nearing the end for this season of the work started on August eighth for the rehabilitation of our two cemeteries. Here in substance is our report: Shade trees planted, 103; Evergreens planted, 62; area plowed up, dragged and seeded, 69,803 square feet, which represents the cross roads we closed up, and in addition to this area we have also spaded up and seeded all of the alley ways in and around the lots. Our first task was the cutting down of the weeds which in itself was quite a task. Following that we dug up many wagon loads of quack grass and obnoxious undergrowth which we used in the building of a foundation for all of the main roads which will be maintained permanently. The upbuilding of these permanent roads was quite an expensive task. In addition to the planting trees and seeding of this vast area we have also planted numerous iris and tulip bulbs. We are indebted to our Conservation Department for allowing us to take shade trees and evergreens from State lands. Mr. Gregg, landscape artist of Michigan State College, recently spent one evening with our committee and gave us many suggestions of great value which we propose to follow up. He took with him a plat of the cemetery and has promised to design an entrance to the cemetery. We cannot speak too highly of the loyalty and cooperation of our Supt. Mr. Otis and crew of workmen. Work will be continued as long as the weather remains favorable and we have the finances. Cemetery Committee, T. W. Hanson, Daisy Norris, C. J. McNamara.

Miss Thelma Papendick of Lansing spent the weekend here visiting her parents and also to see her brother Bob before he left for the service.

Mrs. Lawrence Trudeau and Mrs. Floyd McClain spent a few days in Detroit last week.

Mr. Gerald Powell and son Jeddy of Detroit were guests of Mr. Powell's parents Mr. and Mrs. William Powell over the weekend. Jeddy is enjoying a furlough from the army.

Private Howard Moggo is home from Oakland, Calif., visiting his mother Mrs. Clayton Straehly and family. Howard is serving in the U. S. Signal Corps. He is also visiting his sister, Mrs. Albert LeBeau at Roscommon. He will leave on his return trip the last of the week. He says he likes army life very much.

The Dore manufacturing Co. is in need of about 40 more men in their machine shop doing war work. Experience is not necessary. Here is the best chance to get good paying jobs right here at home.

Col. and Mrs. Vanderzalm and daughter of Lansing were at their cottage at Camp Grayling over the weekend. The Col. has just recently returned from an 18 months stay in Australia. On Friday he will be leaving for Topeka, Kansas, where he will be stationed for a time.

Mr. and Mrs. Chester Lozon and little daughter Emma Jean spent Saturday and Sunday visiting in McIvor at the home of Mr. and Mrs. John Jordan. While their parents were away the boys enjoyed being with their grandparents, Jack with the Archie Lozons and Jerry and Dick with Henry Jordan.

Grange Notes—Saturday's meeting was well attended. Only one officer was absent. The delegates gave an interesting account of their trip to the state convention.

Mrs. Carl Johnson as chairman of the program committee gave a resume of the year's work, leaving the members quite enthused over the winter program. The remainder of the evening was spent socially with the following committee serving lunch: Mrs. Carl Peterson, Mrs. Max Laage, Mrs. Norman Butler, Mrs. Emily Beardsley and Mrs. Ralph VanVleck.

School Board Minutes

September 12, 1966

The regular meeting of the Crawford AuSable School District was called to order at 8 p.m. Absent was Robert Smock. The minutes of the August meeting were read and approved. After discussion of the Grayling and Frederic financial reports it was decided that Supt. Stripe and Patrick Harwood complete the transfer of funds into the new Crawford AuSable accounts. Of the three bids submitted on the Feldhauser School property the bid of Claude Sloan was accepted. Information was received from the State that Block 4, Lot 14 of the South Side School had been deeded to the School in 1952. This is still being looked into for confirming records at the register of deeds. A motion was made to accept the Language Laboratory maintenance contract with Howard & Smith Co. Carried.

Since there seems to be some misunderstanding about the name of the high school, be it known by all concerned - each school will continue to be shown by the name it carried before the consolidation of the districts. Only the district name is new, as per, Crawford AuSable School District, Crawford, Otsego, Kalkaska Counties. The motion was made, seconded and carried that the minutes of the school board meetings be published in condensed form following their approval by the board. Supt. Stripe was instructed to get estimates on the cost of putting in sidewalks at the Grayling Elementary School on the sixth grade side.

Also to inquire into the expense of asphalt and other building repairs and improvements needed at the Frederic Community School to include some kitchen equipment. A motion was made, seconded, and carried to purchase the necessary playground equipment and multi-purpose library room furniture for the Frederic Community School. The board approved the establishing of a Trial Department of Fine Arts under the direction of Howard Taylor. Payment of the bills as

the twenty piece High School Dance Band of Rosecommon.

East Michigan Tourist Association Annual Convention: President Kraus reported on this meeting that was attended by Mr. and Mrs. Kraus, Mr. and Mrs. Fowler, and Mr. and Mrs. Longworth on October 20. Tourism is now the State's second largest industry and is nearing the billion dollar per year mark.

"Package Vacations" was the main topic. Package Vacations are those type family or group vacations whereby the cost to the family or group are all inclusive. This usually includes transportation, lodging, food and varied programs of recreational interest. Included in the panel discussing the Package Vacation idea were travel agents, commercial airline and bus representatives, and resort owners now operating "Vacation Package" plans. Moderator of the panel was Mr. McGuire of E.M.T.A. The afternoon session was devoted to the E.M.T.A. business session.

Manager Longworth informed the board that the representative of the company that is printing the new county maps visited the office with the proofs, and the new city and county maps will be in the Chamber office November 10. The maps will be distributed to all businesses in the county as soon as they are delivered.

Lighting of 1-75 Business Loop on the north side of Grayling and also the south side was discussed. Mr. Fowler advised the board that the preliminary work is being pushed as fast as possible.

Motion by Jerry Burns, second by Billie Forbes, that this meeting be adjourned at 1:30 p.m.

Next meeting to be held November 10, 1966.

Marge Roper, Sec'y.

More County Families In Upper Brackets

NEW YORK—The income gains of residents of Crawford County in the last few years have carried many local families into new and higher brackets.

With the majority of people earning more than they did before, upward movement has been at a general level.

Families who had been in the \$5,000 to \$7,000 bracket may now be in the \$7,000 to \$10,000 bracket. Their former spots have been occupied, in turn, by those who have moved up from the \$4,000 to \$5,000 category.

The facts and figures are brought

out in a copyrighted study, made by Sales Management, to determine how the population is divided in terms of income brackets. Every section of the country is covered in the breakdown.

What was sought was a better financial picture of each community than is afforded by what is called its "average income."

Is it made up of a small number of families with big incomes counterbalancing a larger number that have very low incomes, or are earnings more evenly divided? The figures for Crawford County show that no less than 54.3 per cent of the households had disposable

able cash incomes of \$4,000 or more after payment of their taxes. This represented a considerable increase over the proportion in that income position three years ago. At that time, based on a similar study, there were 42.8 per cent with such earnings.

The rate of gain, 26.8 per cent, was better than that of the United States as a whole, 10.0 per cent, and the 11.5 per cent in the State of Michigan.

The study also shows the number of local households at various other income levels.

It lists 196 of them with net incomes of \$7,000 to \$10,000, 460 in the \$4,000 to \$7,000 bracket and 258 with net earnings between \$2,500 and \$4,000. The rest are in the over \$10,000 or under \$2,500 categories.

Hand in hand with the general improvement in family finances, locally and in other parts of the country, has been a rise in the cost of living. The gains have been out-pacing the price rises, however, so that there has been a net improvement in purchasing power.

Mrs. Matilda Bishop returned home Tuesday of last week from Flint where she had visited her brother William Foley and Mrs. Foley who is ill in Goodrich Hospital. Her niece Mrs. James Aseltine brought her home and stayed overnight.

9 to 4 Friday, Episcopal Thrift Shop.

It was another weekend in the North and the last fall fling at their Hideout for Harold and Louise Longdyke. They just let their hair down and completely relaxed. Some time they spent driving through the trails, and with the real old fashioned gun hunting deer season almost upon us they were delighted with the deer they saw including a nice buck. At night, Gus Middleton joined them for a pork chop dinner and the evening was spent by the hearthside. The cornucopia on the mantle with its straw flowers was a fake but the Harvest Moon outside was the real thing. It was a brisk night, the kind of night when one feels they are saying goodbye to fall and hello winter. Before leaving for their home in Southfield, the Longdykes visited with Carl and Mabel Warnick. So long Gus till deer season.

Mr. and Mrs. J. L. Martin, Mrs. Don Jansen, Mrs. Laura McLeod, Mrs. Arthur Feldhauser, Mrs. Grace Andrews and Mrs. Wesley Kumpula were dinner guests of Mr. and Mrs. Eldee Swanson at their home Saturday evening preceding the O.E.S. meeting.

Mr. and Mrs. Jack Fenton were to pick up their son Pvt. Bob Fenton in Detroit this Thursday. He completed his basic training at Fort Knox and is able to come home over the weekend. He will report for duty again on Monday.

Bulova Accutron for men, the world's most accurate watch. Guaranteed 1 minute a month. F. A. Davis Jewelry, Gifts.

Mr. and Mrs. Lyman LaVack and family of Lynn, Mass., went to visit their son Wayne who is at Saint Joseph's Novitiate in New York. Wayne received the robes of a Salesian Brother, and he will remain there at Don Bosco College till he is ordained a priest.

Mr. and Mrs. Don Gothro spent the weekend in Lansing visiting the Edward Martin family and the Kenneth Gothro family. On Saturday the Martins joined them in attending the show "Walking Happy" at the Fisher Theatre in Detroit.

Lon Post, Bob Bovee, Les Powers and John Ludeman attended a Kiwanis meeting at Manistee Wednesday night last week.
